(1) Most recent quarterly dividend annualized divided by closing stock price per share as of August 24, 2018. There can be no assurances that the Company's dividend will remain at the current level. (2) The Net Asset Value (NAV) is as of June 30, 2018. These figures will fluctuate and differ depending upon the level of any discount or premium to NAV at which the fund's share traded during the period. Shares of closed-end funds frequently trade at a discount to their net asset value. (3) Distributions are not guaranteed and may be suspended, modified or terminated at the discretion of the board of directors. (4) Adjusted Net Investment Income – Non-GAAP Financial Measure ("Adjusted NII"). The Company discloses Adjusted NII (including on a per share basis) in its press releases and latest Form 8-K, which is a financial measure that is calculated and presented on a basis of methodology other than in accordance with generally accepted accounting principles of the U.S. ("non-GAAP"). Adjusted NII represents net investment income, excluding the net capital gains incentive fee and excise taxes. Adjusted NII may not be comparable to similar measures presented by other companies, as it is a non-GAAP financial measure that is not based on a comprehensive set of accounting rules or principles and therefore may be defined differently by other companies. In addition, Adjusted NII should be considered in addition to, not as a substitute for, or superior to, financial measures determined in accordance with GAAP. See the Company's press releases at www.monroebdc.com for a reconciliation from net investment income to Adjusted NII.

DISCLAIMERS, DEFINITIONS, AND IMPORTANT NOTES

Statements included herein may constitute “forward-looking statements,” which may relate to future events or the future performance or financial condition of Monroe Capital Corporation (referred to herein as the “Company,” the “Corporation,” the “Fund,” the “BDC” or “Monroe”), its investment adviser Monroe Capital BDC Advisors, LLC (the “Adviser” or “MC Advisors”), its administrator Monroe Capital Management Advisors, LLC (“MC Management”), or Monroe Capital LLC and its subsidiaries and affiliates (“MC” and, together with MC Advisors and MC Management, “Monroe Capital”). The Forward-looking statements made in this presentation and other filings made with the Securities and Exchange Commission (“SEC”) within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, reflect the current views of the Company and Monroe Capital with respect to, among other things, future events and financial performance. Forward-looking statements are subject to substantial risks and uncertainties, many of which are difficult to predict and are generally beyond our control. These forward-looking statements include information about possible or assumed future results of our business, financial condition, liquidity, results of operations, plans and objectives, including information about our ability to generate attractive returns while attempting to mitigate risk. Such statements are not guarantees of future results or financial condition and involve a number of risks and uncertainties. Actual results and conditions may differ materially from those in the forward-looking statements as a result of a number of factors, including those described from time to time in the filings of the Company with the SEC. We generally identify forward-looking statements by the terminology such as “outlook,” “believe,” “expect,” “potential,” “continue,” “may,” “will,” “should,” “could,” “seek,” “approximately,” “predict,” “intend,” “plan,” “estimate,” “anticipate,” “opportunity,” “comfortable,” “assume,” “remain,” “maintain,” “sustain,” “achieve,” “see,” “think,” “position” or the negative version of those words or other comparable words or similar expressions. Statements regarding the following subjects, among others, may be forward-looking: the return on equity; the yield on investments; the ability to borrow to finance assets; and other risks associated with changes in business conditions and the general economy. Any forward-looking statements contained in this presentation are based on our beliefs, assumptions and expectations of our future performance, taking into account all information currently available to us. Forward-looking statements are not predictions of future events. These beliefs, assumptions and expectations can change as a result of many possible events or factors, not all of which are known to us. Some of these factors are described in the Company’s filings with the SEC. The information contained in this presentation is summary information that is intended to be considered in the context of the SEC filings of the Company and other public announcements that the Company or Monroe Capital may make, by press release or otherwise, from time to time. If a change occurs, our business, financial condition, liquidity and results of operations may vary materially from those expressed in our forward-looking statements. Any forward-looking statement speaks only as of the date on which it is made. New risks and uncertainties arise over time, and it is not possible for us to predict those events or how they may affect us. Except as required by law, we are not obligated to, and do not intend to, update or revise any forward-looking statements or other information contained in this presentation, whether as a result of new information, future events or otherwise. This presentation may contain statistics and other data that in some cases has been obtained from or compiled from information made available by third-party service providers. These materials contain information about the Company and Monroe Capital, and certain of their respective personnel and affiliates, information about their respective historical performance and general information about the market. You should not view information related to the past performance of the Company or Monroe Capital or information about the market, as indicative of future results, the achievement of which cannot be assured.

Nothing in these materials should be construed as a recommendation to invest in any securities that may be issued by the Company or Monroe Capital or as legal, accounting or tax advice. Neither the Company or Monroe Capital nor any affiliate of the Company or Monroe Capital makes any representation or warranty, express or implied, as to the accuracy or completeness of the information contained herein and nothing contained herein shall be relied upon as a promise or representation whether as to the past or future performance. Certain information set forth herein includes estimates and projections and involves significant elements of subjective judgment and analysis. Further, such information, unless otherwise stated, is before giving effect to management and incentive fees and deductions for taxes. No representations are made as to the accuracy of such estimates or projections or that all assumptions relating to such estimates or projections have been considered or stated or that such estimates or projections will be realized.

These materials may contain confidential and proprietary information, and their distribution or the divulgence of any of their contents to any person, other than the person to whom they were originally delivered and such person’s advisers, without the prior consent of the Company or Monroe Capital, as applicable, is prohibited. You are advised that United States securities laws restrict any person who has material, non-public information about a company from purchasing or selling securities of such company (and options, warrants and rights relating thereto) and from communicating such information to any other person under circumstances in which it is reasonably foreseeable that such person is likely to purchase or sell such securities. You agree not to purchase or sell such securities in violation of any such laws.

These materials are not intended as an offer to sell, or the solicitation of an offer to purchase, any security, the offer and/or sale of which can only be made by definitive offering documentation. Any offer or solicitation with respect to any securities that may be issued by the Company or Monroe Capital or any of their affiliates will be made only by means of definitive offering memoranda or prospectus, which will be provided to prospective investors and will contain material information that is not set forth herein, including risk factors relating to any such investment.

Past performance is not indicative nor a guarantee of future returns, the realization of which is dependent on many factors, many of which are beyond the control of the Company and Monroe Capital. Performance data represents past performance, which does not guarantee future results. Current performance may be lower or higher than performance data quoted. Investment return and principal value will fluctuate with market conditions, and you may have a gain or loss when you sell your shares. Please consider the investment objectives, risks, charges and expenses of the Company carefully before investing.
