

## Monroe Capital Corporation Announces Fourth Quarter Distribution of \$0.18 Per Share

December 15, 2025

CHICAGO, Dec. 15, 2025 (GLOBE NEWSWIRE) -- Monroe Capital Corporation (the "Company") (NASDAQ: MRCC) announced today that its Board of Directors has declared a distribution of \$0.18 per share for the fourth quarter of 2025, payable on December 31, 2025 to stockholders of record as of December 23, 2025. In October 2012, the Company adopted a dividend reinvestment plan that provides for reinvestment of distributions on behalf of its stockholders, unless a stockholder elects to receive cash prior to the record date. When the Company declares a cash distribution, stockholders who have not opted out of the dividend reinvestment plan prior to the record date will have their distribution automatically reinvested in additional shares of the Company's capital stock. The specific tax characteristics of the distribution will be reported to stockholders on Form 1099 after the end of the calendar year and in the Company's periodic report filed with the Securities and Exchange Commission.

As noted in the Company's Quarterly Report on Form 10-Q for the quarter ending September 30, 2025, the Asset Sale with Monroe Capital Income Plus Corporation and Merger with Horizon Technology Finance Corporation are currently anticipated to occur during the first quarter of 2026. Following the Asset Sale, the Company's only assets will be the net cash proceeds from the sale after giving effect to the receipt of proceeds from the Asset Sale, repayment of liabilities, transaction costs and the distribution of undistributed net investment income to stockholders.
