

Monroe Capital Corporation Prices Public Offering of \$60 Million 5.75% Notes Due 2023

September 6, 2018

CHICAGO, Sept. 05, 2018 (GLOBE NEWSWIRE) -- Monroe Capital Corporation (the "Company") (NASDAQ: MRCC) announced today that it has priced an underwritten public offering of \$60.0 million in aggregate principal amount of its 5.75% notes due 2023 (the "Notes") which will result in net proceeds to the Company of approximately \$57.7 million (or approximately \$66.4 million if the underwriters fully exercise the overallotment option described below) based on a public offering price of 100% of the aggregate principal amount of the Notes, after deducting payment of underwriting discounts and commissions and estimated offering expenses payable by the Company.

The Notes will mature on October 31, 2023, and may be redeemed in whole or in part at any time, or from time to time, at the Company's option on or after October 31, 2020. The Notes will bear interest at a rate of 5.75% per year, payable quarterly on January 31, April 30, July 31 and October 31 of each year, beginning on October 31, 2018. The Company has also granted the underwriters an option to purchase an additional \$9.0 million aggregate principal amount of Notes to cover overallotments, if any, on or before October 5, 2018.

The offering is subject to customary closing conditions and is expected to close on September 12, 2018. The Company will submit an application for the Notes to be listed and trade on The Nasdaq Global Select Market under the trading symbol "MRCCCL." If approved for listing, the Company expects the Notes to begin trading within 30 days from the original issue date.

The Company has received a private rating of "A-" from Egan-Jones Ratings Company, an independent, unaffiliated rating agency.

The Company intends to use the net proceeds of the offering to invest in portfolio companies in accordance with its investment objectives and for other general corporate purposes, including payments of operating expenses. The Company also intends to use a portion of the net proceeds from the offering to repay outstanding indebtedness under its revolving credit facility. As of August 31, 2018, the Company had \$114.4 million of indebtedness outstanding under the credit facility.

Ladenburg Thalmann & Co. Inc., a subsidiary of Ladenburg Thalmann Financial Services Inc. (NYSE American: LTS), BB&T Capital Markets, a division of BB&T Securities, LLC, and Janney Montgomery Scott LLC are acting as book-running managers for the offering. B. Riley FBR, Inc., Oppenheimer & Co. and William Blair are acting as lead managers for the offering. National Securities Corporation and Wedbush Securities Inc. are acting as co-managers for the offering.

Investors are advised to carefully consider the investment objective, risks, charges and expenses of the Company before investing. The preliminary prospectus supplement dated September 5, 2018, and the accompanying prospectus dated June 1, 2018, each of which has been filed with the Securities and Exchange Commission, contain a description of these matters and other important information about the Company and should be read carefully before investing.
