## **Monroe Capital Corporation Prices Initial Public Offering**

CHICAGO, IL — October 25, 2012 — Monroe Capital Corporation (the “Company”) (NASDAQ: MRCC) announced today the pricing of the initial public offering of 5,000,000 shares of its common stock at a public offering price of \$15.00 per share raising approximately \$75,000,000 in gross proceeds. The Company has granted the underwriters an option to purchase up to an additional 750,000 shares of its common stock. As part of the offering, the Company offered 500,000 shares of its common stock at the public offering price of \$15.00 per share directly to affiliates of Monroe Capital Corporation, Monroe Capital BDC Advisors, LLC, which is the Company’s investment adviser, their respective affiliates and employees. Since these shares are being sold directly by the Company and not through the underwriters, no underwriting discount or commission is being paid to the underwriters for these shares. The Company’s common stock is expected to begin trading on the NASDAQ Global Market under the symbol “MRCC” on October 25, 2012.

Robert W. Baird & Co. Incorporated, William Blair & Company, L.L.C. and Janney Montgomery Scott LLC are acting as joint book-running managers for the initial public offering. BB&T Capital Markets, a division of Scott & Stringfellow, LLC and Stephens Inc. are acting as co-lead managers and Ladenburg Thalmann & Co. Inc. and Wunderlich Securities, Inc. are acting as co-managers for the initial public offering. The closing of the transaction is subject to customary closing conditions. The shares are expected to be delivered on October 30, 2012.

The Company intends to use a portion of the net proceeds from the offering to pay the outstanding balance on the term loan portion of its credit facility it incurred in order to acquire its initial portfolio. It intends to use the remainder of the net proceeds to invest in portfolio companies in accordance with its investment objectives and for general corporate purposes.
